

Part Number:MAX6386LT44D3+

Manufacturer/Brand:Maxim Integrated

Product description:IC SUPERVISOR

Datasheets: MAX6386LT44D3+.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:4653 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MAX6386LT44D3+

|                                  |                                                                                                        |

| DESCRIPTION                      | IC SUPERVISOR                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 4653 pcs                                                                                               |
| DATA SHEET                       |  MAX6386LT44D3+.pdf |
| VOLTAGE - THRESHOLD              | 4.38V                                                                                                  |
| TYPE                             | Simple Reset/Power-On Reset                                                                            |
| SUPPLIER DEVICE PACKAGE          | 6-uDFN (1.5x1.0)                                                                                       |
| SERIES                           | -                                                                                                      |
| RESET TIMEOUT                    | 140 ms Minimum                                                                                         |
| RESET                            | Active Low                                                                                             |
| PACKAGE / CASE                   | 6-WDFDN                                                                                                |
| OUTPUT                           | Open Drain or Open Collector                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                     |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | Vendor Undefined                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 6-uDFN (1.5x1.0)                                     |
