

ICB12SF02NCM1

|                     |                         |
|---------------------|-------------------------|
| Part Number:        | ICB12SF02NCM1           |
| Manufacturer/Brand: | Carlo Gavazzi           |
| Product description | SEN PROX M12 NPN NC PLG |
| Datasheets:         |                         |
| Stock Condition     | 2143 pcs stock          |
| Ship From           | Hong Kong               |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS   |

REQUEST FOR QUOTATION

Specifications of ICB12SF02NCM1

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | ICB12SF02NCM1                                                        |
| MANUFACTURER                     | Carlo Gavazzi                                                        |
| DESCRIPTION                      | SEN PROX M12 NPN NC PLG                                              |
| LEAD FREE STATUS / ROHS STATUS   |                                                                      |
| QUANTITY AVAILABLE               | 2143 pcs                                                             |
| DATA SHEET                       |                                                                      |
| VOLTAGE - SUPPLY                 | 10 V ~ 36 V                                                          |
| TERMINATION STYLE                | Connector                                                            |
| SHIELDING                        | Unshielded                                                           |
| SERIES                           | ICB                                                                  |
| SENSOR TYPE                      | Inductive                                                            |
| SENSING DISTANCE                 | 0.08" (2mm)                                                          |
| RESPONSE FREQUENCY               | 2kHz                                                                 |
| PACKAGE / CASE                   | Cylinder, Threaded - M12                                             |
| OPERATING TEMPERATURE            | -25°C ~ 70°C (TA)                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                       |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                  |
| INGRESS PROTECTION               | IP67                                                                 |
| INDICATOR                        | LED                                                                  |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.08" (2mm) IP67 Cylinder, Threaded - M12 |
