| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 100mA TSOT-23-5                                                                                                                                        |
| CURRENT - OUTPUT                 | 100mA                                                                                                                                                                                                           |
| CONTROL FEATURES                 | Enable                                                                                                                                                                                                          |
| BASE PART NUMBER                 | LT1761                                                                                                                                                                                                          |
