

**MT53D512M32D2NP-046 AIT ES:D TR**

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | MT53D512M32D2NP-046 AIT ES:D TR |
| Manufacturer/Brand: | Micron Technology               |
| Product description | IC DRAM 16G 2133MHZ FBGA        |
| Datasheets:         |                                 |
| Stock Condition     | 1534 pcs stock                  |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

Specifications of MT53D512M32D2NP-046 AIT ES:D TR

|                                |                                                                    |
|--------------------------------|--------------------------------------------------------------------|
| PART NUMBER                    | MT53D512M32D2NP-046 AIT ES:D TR                                    |
| MANUFACTURER                   | Micron Technology                                                  |
| DESCRIPTION                    | IC DRAM 16G 2133MHZ FBGA                                           |
| LEAD FREE STATUS / ROHS STATUS |                                                                    |
| QUANTITY AVAILABLE             | 1534 pcs                                                           |
| DATA SHEET                     |                                                                    |
| WRITE CYCLE TIME - WORD, PAGE  | -                                                                  |
| VOLTAGE - SUPPLY               | 1.1V                                                               |
| TECHNOLOGY                     | SDRAM - Mobile LPDDR4                                              |
| SERIES                         | -                                                                  |
| PACKAGING                      | Tape & Reel (TR)                                                   |
| OTHER NAMES                    | MT53D512M32D2NP-046 AIT ES:D TR-ND<br>MT53D512M32D2NP-046AITES:DTR |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TA)                                                  |
| MEMORY TYPE                    | Volatile                                                           |
| MEMORY SIZE                    | 16Gb (512M x 32)                                                   |
| MEMORY INTERFACE               | -                                                                  |
| MEMORY FORMAT                  | DRAM                                                               |
| LEAD FREE STATUS               | Lead free                                                          |
| DETAILED DESCRIPTION           | SDRAM - Mobile LPDDR4 Memory IC 16Gb (512M x 32) 2133MHz           |
| CLOCK FREQUENCY                | 2133MHz                                                            |
