| DESCRIPTION                      | IC CLOCK BUFFER 1:2 1.6GHZ                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| QUANTITY AVAILABLE               | 4536 pcs                                                                                           |
| DATA SHEET                       |  CTSLV315QG.pdf |
| VOLTAGE - SUPPLY                 | 2.375 V ~ 3.6 V                                                                                    |
| TYPE                             | Fanout Buffer (Distribution), Divider, Multiplexer, Translator                                     |
| SUPPLIER DEVICE PACKAGE          | 8-SON                                                                                              |
| SERIES                           | -                                                                                                  |
| RATIO - INPUT:OUTPUT             | 1:2                                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                                   |
| PACKAGE / CASE                   | 8-XFDNF                                                                                            |
| OUTPUT                           | LVDS, LVPECL                                                                                       |
| OTHER NAMES                      | CTX1325TR                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                       |
| NUMBER OF CIRCUITS               | 1                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INPUT                            | Clock                                                                                              |
| FREQUENCY - MAX                  | 1.6GHz                                                                                             |
| DIFFERENTIAL - INPUT:OUTPUT      | No/Yes                                                                                             |
| DETAILED DESCRIPTION             | Clock Fanout Buffer (Distribution), Divider, Multiplexer, Translator IC 1:2 1.6GHz 8-XFDNF         |
