

210-6ESFD

Part Number:

210-6ESFD

Manufacturer/Brand:

CTS Electronic Components

Product description

SWITCH SLIDE DIP SPST 100MA 20V

Datasheets:

PDF

210-6ESFD.pdf

RoHs Status

RoHS

Lead free / RoHS Compliant

Stock Condition

211910 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of 210-6ESFD      |                                                                               |

| MANUFACTURER                     | CTS Electronic Components                                                     |
| DESCRIPTION                      | SWITCH SLIDE DIP SPST 100MA 20V                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| QUANTITY AVAILABLE               | 211910 pcs                                                                    |
| DATA SHEET                       | <div><div>PDF</div>210-6ESFD.pdf</div>                                        |
| WASHABLE                         | No                                                                            |
| VOLTAGE RATING                   | 20VDC                                                                         |
| TERMINATION STYLE                | PC Pin                                                                        |
| SERIES                           | 210                                                                           |
| PITCH                            | 0.100" (2.54mm), Full                                                         |
| PACKAGING                        | Tube                                                                          |
| OTHER NAMES                      | 210006ESFD<br>2106ESFD<br>210B006ES-FD---<br>210B006ESFD                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                  |
| NUMBER OF POSITIONS              | 6                                                                             |
| MOUNTING TYPE                    | Through Hole                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| MECHANICAL LIFE                  | -                                                                             |
| LENGTH                           | 0.658" (16.71mm)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| HEIGHT ABOVE BOARD               | 0.204" (5.18mm)                                                               |
| FEATURES                         | Epoxy Sealed Terminals                                                        |
| ELECTRICAL LIFE                  | 1,000 Cycles                                                                  |
| DETAILED DESCRIPTION             | Dip Switch SPST 6 Position Through Hole Slide (Standard) Actuator 100mA 20VDC |
| CURRENT RATING                   | 100mA                                                                         |
| CONTACT MATERIAL                 | Beryllium Copper                                                              |
| CONTACT FINISH                   | Gold                                                                          |
| CIRCUIT                          | SPST                                                                          |
| BODY MATERIAL                    | -                                                                             |
| ACTUATOR TYPE                    | Slide (Standard)                                                              |
| ACTUATOR LEVEL                   | Raised                                                                        |
