

X2-WM1-EC-W

|                     |                            |
|---------------------|----------------------------|
| Part Number:        | X2-WM1-EC-W                |
| Manufacturer/Brand: | Digi International         |
| Product description | CONNEXPORT X2 GATEWAY COMM |
| Datasheets:         |                            |
| RoHs Status         | Lead free / RoHS Compliant |
| Stock Condition     | 5014 pcs stock             |
| Ship From           | Hong Kong                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS      |

REQUEST FOR QUOTATION

Specifications of X2-WM1-EC-W

|                                  |                                                           |

| PART NUMBER                      | X2-WM1-EC-W                                               |
| MANUFACTURER                     | Digi International                                        |
| DESCRIPTION                      | CONNEXPORT X2 GATEWAY COMM                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| QUANTITY AVAILABLE               | 5014 pcs                                                  |
| DATA SHEET                       |                                                           |
| VOLTAGE - SUPPLY                 | 5VDC                                                      |
| SERIES                           | ConnectPort™ X2                                           |
| SENSITIVITY                      | -                                                         |
| POWER - OUTPUT                   | -                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                             |
| MODULATION OR PROTOCOL           | ISM                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| INTERFACE                        | RJ-45 Ethernet                                            |
| FUNCTION                         | Transceiver, Gateway                                      |
| FREQUENCY                        | 868MHz                                                    |
| FEATURES                         | -                                                         |
| DETAILED DESCRIPTION             | RF Transceiver, Gateway 868MHz ISM RJ-45 Ethernet 100Mbps |
| DATA RATE (MAX)                  | 100Mbps                                                   |
| APPLICATIONS                     | General Purpose                                           |
