| MANUFACTURER                     | Micrel / Microchip Technology                                                                             |
| DESCRIPTION                      | IC REG LINEAR 0.8V 500MA 3DDPAK                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| QUANTITY AVAILABLE               | 113226 pcs                                                                                                |
| DATA SHEET                       |  MCP1825S-0802E/EB.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.35V @ 500mA                                                                                             |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 0.8V                                                                                                      |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                         |
| VOLTAGE - INPUT (MAX)            | 6V                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 3-DDPAK                                                                                                   |
| SERIES                           | -                                                                                                         |
| PROTECTION FEATURES              | Over Temperature, Short Circuit, Under Voltage Lockout (UVLO)                                             |
| PACKAGING                        | Tube                                                                                                      |
| PACKAGE / CASE                   | TO-263-4, D <sup>2</sup> Pak (3 Leads + Tab), TO-263AA                                                    |
| PSRR                             | 60dB (100Hz)                                                                                              |
| OUTPUT TYPE                      | Fixed                                                                                                     |
| OUTPUT CONFIGURATION             | Positive                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                             |
| NUMBER OF REGULATORS             | 1                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 0.8V 500mA 3-DDPAK                                    |
| CURRENT - QUIESCENT (IQ)         | 220µA                                                                                                     |
| CURRENT - OUTPUT                 | 500mA                                                                                                     |
| CONTROL FEATURES                 | -                                                                                                         |
