|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F64G08CBABBWP-12:B                                                                                       |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 64G PARALLEL 48TSOP I                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 13360 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MT29F64G08CBABBWP-12:B

|                                  |                                                               |
|----------------------------------|---------------------------------------------------------------|
| PART NUMBER                      | MT29F64G08CBABBWP-12:B                                        |
| MANUFACTURER                     | Micron Technology                                             |
| DESCRIPTION                      | IC FLASH 64G PARALLEL 48TSOP I                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| QUANTITY AVAILABLE               | 13360 pcs                                                     |
| DATA SHEET                       |                                                               |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                             |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                 |
| TECHNOLOGY                       | FLASH - NAND                                                  |
| SUPPLIER DEVICE PACKAGE          | 48-TSOP I                                                     |
| SERIES                           | -                                                             |
| PACKAGING                        | Bulk                                                          |
| PACKAGE / CASE                   | 48-TFSOP (0.724", 18.40mm Width)                              |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                               |
| MOUNTING TYPE                    | Surface Mount                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                 |
| MEMORY TYPE                      | Non-Volatile                                                  |
| MEMORY SIZE                      | 64Gb (8G x 8)                                                 |
| MEMORY INTERFACE                 | Parallel                                                      |
| MEMORY FORMAT                    | FLASH                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 64Gb (8G x 8) Parallel 83MHz 48-TSOP I |
| CLOCK FREQUENCY                  | 83MHz                                                         |
| BASE PART NUMBER                 | MT29F64G08                                                    |
