

AMI Semiconductor / ON

Semiconductor

Part Number:NLV74HC32ADG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC GATE OR 4CH 2-INP 14SOIC

Datasheets: NLV74HC32ADG.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:328932 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NLV74HC32ADG

|                                   |                                                                                                      |
|-----------------------------------|------------------------------------------------------------------------------------------------------|

| DATA SHEET                        |  NLV74HC32ADG.pdf |
| VOLTAGE - SUPPLY                  | 2 V ~ 6 V                                                                                            |
| SUPPLIER DEVICE PACKAGE           | 14-SOIC                                                                                              |
| SERIES                            | Automotive, AEC-Q100, 74HC                                                                           |
| PACKAGING                         | Tube                                                                                                 |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                                                                       |
| OPERATING TEMPERATURE             | -55°C ~ 125°C                                                                                        |
| NUMBER OF INPUTS                  | 2                                                                                                    |
| NUMBER OF CIRCUITS                | 4                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                        |
| MAX PROPAGATION DELAY @ V, MAX CL | 19ns @ 6V, 50pF                                                                                      |
| LOGIC TYPE                        | OR Gate                                                                                              |
| LOGIC LEVEL - LOW                 | 0.5 V ~ 1.8 V                                                                                        |
| LOGIC LEVEL - HIGH                | 1.5 V ~ 4.2 V                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                           |
| FEATURES                          | -                                                                                                    |
| DETAILED DESCRIPTION              | OR Gate IC 4 Channel 14-SOIC                                                                         |
| CURRENT - QUIESCENT (MAX)         | 1µA                                                                                                  |
| CURRENT - OUTPUT HIGH, LOW        | 5.2mA, 5.2mA                                                                                         |
