Specifications of PIC16LF19176-I/MV

|                                  |                                                                                                                           |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | PIC16LF19176-I/MV                                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                                             |
| DESCRIPTION                      | 28KB FLASH, 2KB RAM, 256KB EE, L                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                                                           |
| QUANTITY AVAILABLE               | 48938 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">PIC16LF19176-I/MV.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 3.6 V                                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 40-UQFN (5x5)                                                                                                             |
| SPEED                            | 32MHz                                                                                                                     |
| SERIES                           | PIC® XLP™ 16F                                                                                                             |
| RAM SIZE                         | 2K x 8                                                                                                                    |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                                     |
| PROGRAM MEMORY SIZE              | 28KB (16K x 14)                                                                                                           |
| PERIPHERALS                      | Brown-out Detect/Reset, LCD, POR, PWM, WDT                                                                                |
| PACKAGING                        | Tube                                                                                                                      |
| PACKAGE / CASE                   | 40-UFQFN Exposed Pad                                                                                                      |
| OSCILLATOR TYPE                  | Internal                                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                         |
| NUMBER OF I/O                    | 35                                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                             |
| EEPROM SIZE                      | 256 x 8                                                                                                                   |
| DETAILED DESCRIPTION             | PIC PIC® XLP™ 16F Microcontroller IC 8-Bit 32MHz 28KB (16K x 14) FLASH 40-UQFN (5x5)                                      |
| DATA CONVERTERS                  | A/D 31x12b, D/A 1x5b                                                                                                      |
| CORE SIZE                        | 8-Bit                                                                                                                     |
| CORE PROCESSOR                   | PIC                                                                                                                       |
| CONNECTIVITY                     | I²C, LINbus, SPI, UART/USART                                                                                              |
