

Omron

A6D5103

Part Number: A6D5103

Manufacturer/Brand: Omron

Product description: SWITCH SLIDE DIP SPST 30MA 30V

Datasheets:  A6D5103.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 22500 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of A6D5103        |                                                                                                 |

| DATA SHEET                       |  A6D5103.pdf |
| WASHABLE                         | Yes                                                                                             |
| VOLTAGE RATING                   | 30VDC                                                                                           |
| TERMINATION STYLE                | PC Pin                                                                                          |
| SERIES                           | A6D                                                                                             |
| PITCH                            | 0.100" (2.54mm), Full                                                                           |
| PACKAGING                        | Tube                                                                                            |
| OTHER NAMES                      | A6D-5103 BY OMZ<br>A6D5103BYOMZ                                                                 |
| OPERATING TEMPERATURE            | -20°C ~ 70°C                                                                                    |
| NUMBER OF POSITIONS              | 5                                                                                               |
| MOUNTING TYPE                    | Through Hole                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| MECHANICAL LIFE                  | -                                                                                               |
| LENGTH                           | 0.579" (14.70mm)                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| HEIGHT ABOVE BOARD               | 0.213" (5.40mm)                                                                                 |
| FEATURES                         | IP64 - Dust Tight, Water Resistant                                                              |
| ELECTRICAL LIFE                  | 2,000 Cycles                                                                                    |
| DETAILED DESCRIPTION             | Dip Switch SPST 5 Position Through Hole Slide (Standard) Actuator 30mA 30VDC                    |
| CURRENT RATING                   | 30mA                                                                                            |
| CONTACT MATERIAL                 | -                                                                                               |
| CONTACT FINISH                   | Gold                                                                                            |
| CIRCUIT                          | SPST                                                                                            |
| BODY MATERIAL                    | -                                                                                               |
| ACTUATOR TYPE                    | Slide (Standard)                                                                                |
| ACTUATOR LEVEL                   | Raised                                                                                          |
