| DESCRIPTION                      | IC REG LINEAR 3.6V 200MA SOT23-5                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| QUANTITY AVAILABLE               | 193850 pcs                                                                     |
| DATA SHEET                       |                                                                                |
| VOLTAGE DROPOUT (MAX)            | 0.25V @ 200mA                                                                  |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.6V                                                                           |
| VOLTAGE - OUTPUT (MAX)           | -                                                                              |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                           |
| SUPPLIER DEVICE PACKAGE          | SOT-23-5                                                                       |
| SERIES                           | -                                                                              |
| PROTECTION FEATURES              | Over Current, Over Temperature, Reverse Polarity, Under Voltage Lockout (UVLO) |
| PACKAGING                        | Cut Tape (CT)                                                                  |
| PACKAGE / CASE                   | SOT-23-5 Thin, TSOT-23-5                                                       |
| PSRR                             | 68dB (1kHz)                                                                    |
| OUTPUT TYPE                      | Fixed                                                                          |
| OUTPUT CONFIGURATION             | Positive                                                                       |
| OTHER NAMES                      | 296-40611-1                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                  |
| NUMBER OF REGULATORS             | 1                                                                              |
| MOUNTING TYPE                    | Surface Mount                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.6V 200mA SOT-23-5        |
| CURRENT - SUPPLY (MAX)           | 270μA                                                                          |
| CURRENT - QUIESCENT (IQ)         | 55μA                                                                           |
| CURRENT - OUTPUT                 | 200mA                                                                          |
| CONTROL FEATURES                 | Enable                                                                         |
