

NXP Semiconductors / Freescale

TFF1015HN/N1,115

|                     |                                                  |
|---------------------|--------------------------------------------------|
| Part Number:        | TFF1015HN/N1,115                                 |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                   |
| Product description | IC MIXER 10.7-12.75GHZ 16DHVQFN                  |
| Datasheets:         |                                                  |
| RoHS Status         | <div><div></div>Lead free / RoHS Compliant</div> |
| Stock Condition     | 125665 pcs stock                                 |
| Ship From           | Hong Kong                                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                            |

REQUEST FOR QUOTATION

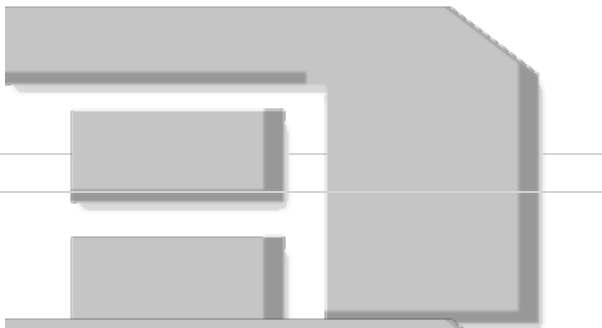

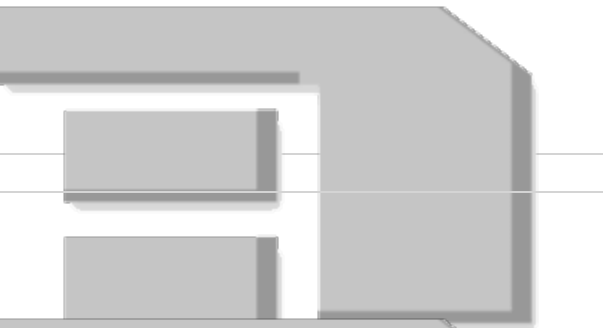

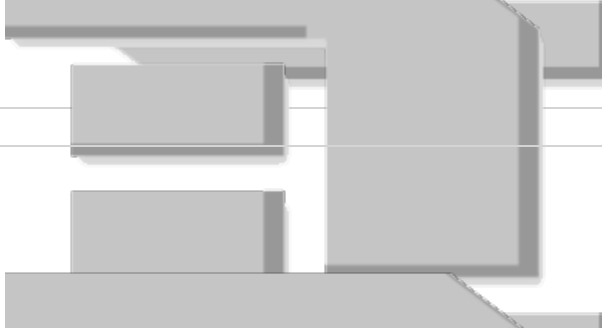

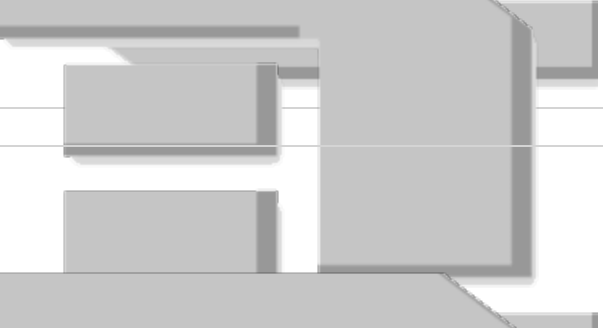

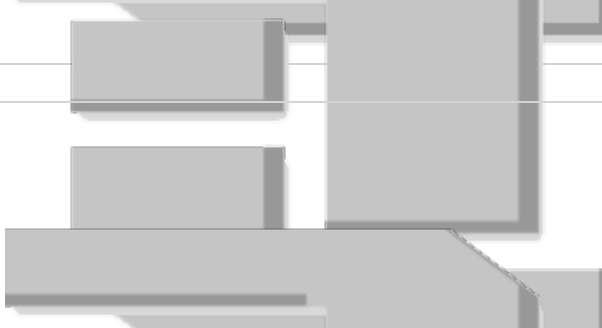

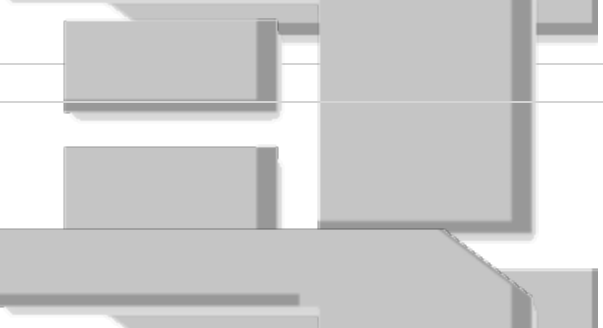

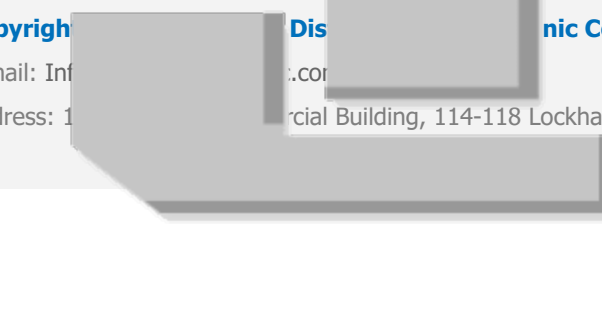

Specifications of TFF1015HN/N1,115

|                                  |                                                                           |
|----------------------------------|---------------------------------------------------------------------------|
| PART NUMBER                      | TFF1015HN/N1,115                                                          |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                            |
| DESCRIPTION                      | IC MIXER 10.7-12.75GHZ 16DHVQFN                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| QUANTITY AVAILABLE               | 125665 pcs                                                                |
| DATA SHEET                       |                                                                           |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                             |
| SUPPLIER DEVICE PACKAGE          | 16-DHVQFN (2.5x3.5)                                                       |
| SERIES                           | -                                                                         |
| SECONDARY ATTRIBUTES             | Down Converter                                                            |
| RF TYPE                          | Ku-Band                                                                   |
| PACKAGING                        | Original-Reel®                                                            |
| PACKAGE / CASE                   | 16-VFQFN Exposed Pad                                                      |
| OTHER NAMES                      | 568-8499-6                                                                |
| NUMBER OF MIXERS                 | 1                                                                         |
| NOISE FIGURE                     | 7dB                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| GAIN                             | 39dB                                                                      |
| FREQUENCY                        | 10.7GHz ~ 12.75GHz                                                        |
| DETAILED DESCRIPTION             | RF Mixer IC Ku-Band Down Converter 10.7GHz ~ 12.75GHz 16-DHVQFN (2.5x3.5) |
| CURRENT - SUPPLY                 | 52mA                                                                      |
