#### Specifications of MB9AF156MAPMC-G-JNE2

|                                  |                                                                                                                              |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MB9AF156MAPMC-G-JNE2                                                                                                         |
| MANUFACTURER                     | Cypress Semiconductor                                                                                                        |
| DESCRIPTION                      | IC MCU 32BIT 544KB FLASH 80LQFP                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| QUANTITY AVAILABLE               | 21142 pcs                                                                                                                    |
| DATA SHEET                       |  <a href="#">MB9AF156MAPMC-G-JNE2.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.65 V ~ 3.6 V                                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 80-LQFP (12x12)                                                                                                              |
| SPEED                            | 40MHz                                                                                                                        |
| SERIES                           | FM3 MB9A150RA                                                                                                                |
| RAM SIZE                         | 64K x 8                                                                                                                      |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                                        |
| PROGRAM MEMORY SIZE              | 544KB (544K x 8)                                                                                                             |
| PERIPHERALS                      | DMA, LVD, POR, PWM, WDT                                                                                                      |
| PACKAGING                        | Tray                                                                                                                         |
| PACKAGE / CASE                   | 80-LQFP                                                                                                                      |
| OTHER NAMES                      | CY9AF156MAPMC-G-JNE2                                                                                                         |
| OSCILLATOR TYPE                  | Internal                                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                            |
| NUMBER OF I/O                    | 66                                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| EEPROM SIZE                      | -                                                                                                                            |
| DETAILED DESCRIPTION             | ARM® Cortex®-M3 FM3 MB9A150RA Microcontroller IC 32-Bit 40MHz 544KB (544K x 8) FLASH 80-LQFP (12x12)                         |
| DATA CONVERTERS                  | A/D 17x12b                                                                                                                   |
| CORE SIZE                        | 32-Bit                                                                                                                       |
| CORE PROCESSOR                   | ARM® Cortex®-M3                                                                                                              |
| CONNECTIVITY                     | CSIO, EBI/EMI, I²C, SPI, UART/USART                                                                                          |
