SRIX4K-A3S/1GE

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | SRIX4K-A3S/1GE                                                                                                       |
| Manufacturer/Brand: | STMicroelectronics                                                                                                   |
| Product description | IC MEMORY ANTI-CLONE ADHESIV ANT                                                                                     |
| Datasheets:         |  <a href="#">SRIX4K-A3S/1GE.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant         |
| Stock Condition     | 41381 pcs stock                                                                                                      |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

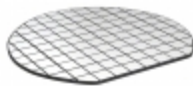

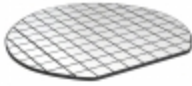

Specifications of SRIX4K-A3S/1GE

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | SRIX4K-A3S/1GE                                                                                                         |
| MANUFACTURER                     | STMicroelectronics                                                                                                     |
| DESCRIPTION                      | IC MEMORY ANTI-CLONE ADHESIV ANT                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 41381 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">SRIX4K-A3S/1GE.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 3.5 V                                                                                                          |
| TYPE                             | RFID Transponder                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                                      |
| STANDARDS                        | ISO 14443                                                                                                              |
| SERIES                           | -                                                                                                                      |
| PACKAGING                        | Cut Tape (CT)                                                                                                          |
| PACKAGE / CASE                   | Die                                                                                                                    |
| OTHER NAMES                      | 497-5536-1<br>SRIX4KA3S1GE                                                                                             |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INTERFACE                        | -                                                                                                                      |
| FREQUENCY                        | 13.56MHz                                                                                                               |
| DETAILED DESCRIPTION             | RFID Transponder IC 13.56MHz ISO 14443 2.5 V ~ 3.5 V Die                                                               |
