

AMI Semiconductor / ON

Semiconductor

Part Number:

NLSV22T244MUTAG

Manufacturer/Brand:

AMI Semiconductor / ON Semiconductor

Product description

IC TRNSLTR UNIDIRECTIONAL 12UQFN

Datasheets:

 NLSV22T244MUTAG.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

122770 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

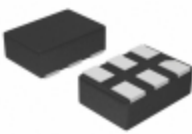

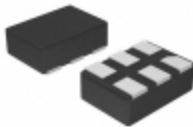

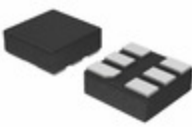

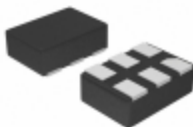

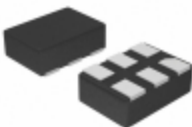

Specifications of NLSV22T244MUTAG

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  NLSV22T244MUTAG.pdf |
| VOLTAGE - VCCB                   | 1.6V ~ 3.6V                                                                                             |
| VOLTAGE - VCCA                   | 1.6V ~ 3.6V                                                                                             |
| TRANSLATOR TYPE                  | Voltage Level                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 12-UQFN (1.7x2)                                                                                         |
| SERIES                           | -                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 12-UFQFN                                                                                                |
| OUTPUT TYPE                      | Tri-State, Non-Inverted                                                                                 |
| OUTPUT SIGNAL                    | -                                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                       |
| NUMBER OF CIRCUITS               | 2                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INPUT SIGNAL                     | -                                                                                                       |
| FEATURES                         | Over Voltage Protection, Power-Off Protection                                                           |
| DETAILED DESCRIPTION             | Voltage Level Translator Unidirectional 2 Circuit 2 Channel 12-UQFN (1.7x2)                             |
| DATA RATE                        | -                                                                                                       |
| CHANNELS PER CIRCUIT             | 2                                                                                                       |
| CHANNEL TYPE                     | Unidirectional                                                                                          |
| BASE PART NUMBER                 | NLSV22T244                                                                                              |
