#### Specifications of STK16C88-3WF35I

|                                  |                                                                                                                         |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | STK16C88-3WF35I                                                                                                         |
| MANUFACTURER                     | Cypress Semiconductor                                                                                                   |
| DESCRIPTION                      | IC NVSRAM 256K PARALLEL 28DIP                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 6990 pcs                                                                                                                |
| DATA SHEET                       |  <a href="#">STK16C88-3WF35I.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 35ns                                                                                                                    |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                           |
| TECHNOLOGY                       | NVSRAM (Non-Volatile SRAM)                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 28-DIP                                                                                                                  |
| SERIES                           | -                                                                                                                       |
| PACKAGING                        | Tube                                                                                                                    |
| PACKAGE / CASE                   | 28-DIP (0.600", 15.24mm)                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                       |
| MOUNTING TYPE                    | Through Hole                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                           |
| MEMORY TYPE                      | Non-Volatile                                                                                                            |
| MEMORY SIZE                      | 256Kb (32K x 8)                                                                                                         |
| MEMORY INTERFACE                 | Parallel                                                                                                                |
| MEMORY FORMAT                    | NVSRAM                                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| DETAILED DESCRIPTION             | NVSRAM (Non-Volatile SRAM) Memory IC 256Kb (32K x 8) Parallel 35ns 28-DIP                                               |
| BASE PART NUMBER                 | STK16C88                                                                                                                |
| ACCESS TIME                      | 35ns                                                                                                                    |
