74F899QC

|                     |                                      |
|---------------------|--------------------------------------|
| Part Number:        | 74F899QC                             |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor |
| Product description | IC TXRX NON-INVERT 5.5V 28PLCC       |
| Datasheets:         | 74F899QC.pdf                         |
| RoHs Status         | Lead free / RoHS Compliant           |
| Stock Condition     | 3170 pcs stock                       |
| Ship From           | Hong Kong                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                |

|                                  |                                                                                           |
|----------------------------------|-------------------------------------------------------------------------------------------|
| PART NUMBER                      | 74F899QC                                                                                  |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                      |
| DESCRIPTION                      | IC TXRX NON-INVERT 5.5V 28PLCC                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                |
| QUANTITY AVAILABLE               | 3170 pcs                                                                                  |
| DATA SHEET                       | 74F899QC.pdf                                                                              |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                             |
| SUPPLIER DEVICE PACKAGE          | 28-PLCC (11.5x11.5)                                                                       |
| SERIES                           | 74F                                                                                       |
| PACKAGING                        | Tube                                                                                      |
| PACKAGE / CASE                   | 28-LCC (J-Lead)                                                                           |
| OUTPUT TYPE                      | 3-State                                                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                           |
| NUMBER OF ELEMENTS               | 1                                                                                         |
| NUMBER OF BITS PER ELEMENT       | 9                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                             |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                |
| INPUT TYPE                       | -                                                                                         |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 1 Element 9 Bit per Element 3-State Output 28-PLCC (11.5x11.5) |
| CURRENT - OUTPUT HIGH, LOW       | 3mA, 64mA                                                                                 |
| BASE PART NUMBER                 | 74F899                                                                                    |
