Toshiba Semiconductor and Storage

Storage

Part Number:TA58L06S,HY-ATQ(M)

Manufacturer/Brand:Toshiba Semiconductor and Storage

Product description:IC REG LINEAR 250MA 3HSIP

Datasheets:TA58L06S,HY-ATQ(M).pdf

RoHs Status:Lead free / RoHS Compliant

Stock Condition:5479 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of TA58L06S,HY-ATQ(M)

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | TA58L06S,HY-ATQ(M)                                                                                         |
| MANUFACTURER                     | Toshiba Semiconductor and Storage                                                                          |
| DESCRIPTION                      | IC REG LINEAR 250MA 3HSIP                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| QUANTITY AVAILABLE               | 5479 pcs                                                                                                   |
| DATA SHEET                       |  TA58L06S,HY-ATQ(M).pdf |
| VOLTAGE DROPOUT (MAX)            | 0.4V @ 200mA                                                                                               |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 6V                                                                                                         |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                          |
| VOLTAGE - INPUT (MAX)            | 29V                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | TO-220NIS                                                                                                  |
| SERIES                           | -                                                                                                          |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                             |
| PACKAGING                        | Bulk                                                                                                       |
| PACKAGE / CASE                   | TO-220-3 Full Pack                                                                                         |
| PSRR                             | -                                                                                                          |
| OUTPUT TYPE                      | Fixed                                                                                                      |
| OUTPUT CONFIGURATION             | Positive                                                                                                   |
| OTHER NAMES                      | TA58L06SHY-ATQ(M)<br>TA58L06SHYATQM                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                              |
| NUMBER OF REGULATORS             | 1                                                                                                          |
| MOUNTING TYPE                    | Through Hole                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 6V 250mA TO-220NIS                                     |
| CURRENT - SUPPLY (MAX)           | 50mA                                                                                                       |
| CURRENT - QUIESCENT (IQ)         | 1mA                                                                                                        |
| CURRENT - OUTPUT                 | 250mA                                                                                                      |
| CONTROL FEATURES                 | -                                                                                                          |
