| QUANTITY AVAILABLE               | 10502 pcs                                                                                              |
| DATA SHEET                       |  C8051F360-C-GQ.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 3.6 V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 48-TQFP (7x7)                                                                                          |
| SPEED                            | 100MHz                                                                                                 |
| SERIES                           | C8051F36x                                                                                              |
| RAM SIZE                         | 1K x 8                                                                                                 |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                  |
| PROGRAM MEMORY SIZE              | 32KB (32K x 8)                                                                                         |
| PERIPHERALS                      | POR, PWM, Temp Sensor, WDT                                                                             |
| PACKAGING                        | Tray                                                                                                   |
| PACKAGE / CASE                   | 48-TQFP                                                                                                |
| OTHER NAMES                      | 336-3399                                                                                               |
| OSCILLATOR TYPE                  | Internal                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| NUMBER OF I/O                    | 39                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| EEPROM SIZE                      | -                                                                                                      |
| DETAILED DESCRIPTION             | 8051 C8051F36x Microcontroller IC 8-Bit 100MHz 32KB (32K x 8) FLASH 48-TQFP (7x7)                      |
| DATA CONVERTERS                  | A/D 17x10b; D/A 1x10b                                                                                  |
| CORE SIZE                        | 8-Bit                                                                                                  |
| CORE PROCESSOR                   | 8051                                                                                                   |
| CONNECTIVITY                     | EBI/EMI, SMBus (2-Wire/I <sup>2</sup> C), SPI, UART/USART                                              |
