Toshiba Semiconductor and Storage

Storage

Part Number:TA76432S(TE6,F,M)

Manufacturer/Brand:Toshiba Semiconductor and Storage

Product description:IC REG LINEAR 15MA LSTM

Datasheets:

 TA76432S(TE6,F,M).pdf

RoHs Status:

 Lead free / RoHS Compliant

Stock Condition:4631 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of TA76432S(TE6,F,M)

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|

| DESCRIPTION                      | IC REG LINEAR 15MA LSTM                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| QUANTITY AVAILABLE               | 4631 pcs                                                                                                  |
| DATA SHEET                       |  TA76432S(TE6,F,M).pdf |
| VOLTAGE - OUTPUT (MIN/FIXED)     | -                                                                                                         |
| VOLTAGE - INPUT                  | -                                                                                                         |
| TOLERANCE                        | -                                                                                                         |
| TEMPERATURE COEFFICIENT          | -                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | LSTM                                                                                                      |
| SERIES                           | -                                                                                                         |
| REFERENCE TYPE                   | -                                                                                                         |
| PACKAGING                        | Bulk                                                                                                      |
| PACKAGE / CASE                   | TO-226-3, TO-92-3 Long Body                                                                               |
| OUTPUT TYPE                      | -                                                                                                         |
| OTHER NAMES                      | TA76432S(TE6FM)<br>TA76432STE6FM                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                              |
| NOISE - 10HZ TO 10KHZ            | -                                                                                                         |
| NOISE - 0.1HZ TO 10HZ            | -                                                                                                         |
| MOUNTING TYPE                    | Through Hole                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | Voltage Reference IC 15mA LSTM                                                                            |
| CURRENT - SUPPLY                 | -                                                                                                         |
