LC898105-TBM-GB-E

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LC898105-TBM-GB-E                                                                                            |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor                                                                         |
| Product description | IC MOTOR DRIVER STEPPING 64QFP                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6494 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of LC898105-TBM-GB-E

|                                  |                                      |
|----------------------------------|--------------------------------------|
| PART NUMBER                      | LC898105-TBM-GB-E                    |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor |
| DESCRIPTION                      | IC MOTOR DRIVER STEPPING 64QFP       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant           |
| QUANTITY AVAILABLE               | 6494 pcs                             |
| DATA SHEET                       |                                      |
| VOLTAGE - SUPPLY                 | -                                    |
| VOLTAGE - LOAD                   | -                                    |
| TECHNOLOGY                       | -                                    |
| STEP RESOLUTION                  | -                                    |
| SERIES                           | -                                    |
| PACKAGING                        | Tape & Reel (TR)                     |
| PACKAGE / CASE                   | -                                    |
| OUTPUT CONFIGURATION             | -                                    |
| OPERATING TEMPERATURE            | -                                    |
| MOTOR TYPE - STEPPER             | -                                    |
| MOTOR TYPE - AC, DC              | -                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant           |
| INTERFACE                        | -                                    |
| FUNCTION                         | -                                    |
| DETAILED DESCRIPTION             | IC MOTOR DRIVER STEPPING 64QFP       |
| CURRENT - OUTPUT                 | -                                    |
| BASE PART NUMBER                 | LC898105                             |
| APPLICATIONS                     | -                                    |
