Specifications of 74HC573BQ,115

|                                  |                                                                            |
|----------------------------------|----------------------------------------------------------------------------|
| PART NUMBER                      | 74HC573BQ,115                                                              |
| MANUFACTURER                     | Nexperia                                                                   |
| DESCRIPTION                      | IC OCTAL D TRANSP LATCH 20DHVQFN                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| QUANTITY AVAILABLE               | 212473 pcs                                                                 |
| DATA SHEET                       |                                                                            |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                                  |
| SUPPLIER DEVICE PACKAGE          | 20-DHVQFN-EP (2.5x4.5)                                                     |
| SERIES                           | 74HC                                                                       |
| PACKAGING                        | Original-Reel®                                                             |
| PACKAGE / CASE                   | 20-VFQFN Exposed Pad                                                       |
| OUTPUT TYPE                      | Tri-State                                                                  |
| OTHER NAMES                      | 1727-3323-6<br>568-2713-6<br>568-2713-6-ND                                 |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                              |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                              |
| LOGIC TYPE                       | D-Type Transparent Latch                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| INDEPENDENT CIRCUITS             | 1                                                                          |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-DHVQFN-EP (2.5x4.5) |
| DELAY TIME - PROPAGATION         | 14ns                                                                       |
| CURRENT - OUTPUT HIGH, LOW       | 7.8mA, 7.8mA                                                               |
| CIRCUIT                          | 8:8                                                                        |
| BASE PART NUMBER                 | 74HC573                                                                    |
