| PART NUMBER                      | NAND01GW3A2AN6E                                                                                                         |
| MANUFACTURER                     | STMicroelectronics                                                                                                      |
| DESCRIPTION                      | IC FLASH 1G PARALLEL 48TSOP                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 4055 pcs                                                                                                                |
| DATA SHEET                       |  <a href="#">NAND01GW3A2AN6E.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 30ns                                                                                                                    |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                                           |
| TECHNOLOGY                       | FLASH - NAND                                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 48-TSOP                                                                                                                 |
| SERIES                           | -                                                                                                                       |
| PACKAGING                        | Tray                                                                                                                    |
| PACKAGE / CASE                   | 48-TFSOP (0.724", 18.40mm Width)                                                                                        |
| OTHER NAMES                      | 497-3612                                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| MEMORY TYPE                      | Non-Volatile                                                                                                            |
| MEMORY SIZE                      | 1Gb (128M x 8)                                                                                                          |
| MEMORY INTERFACE                 | Parallel                                                                                                                |
| MEMORY FORMAT                    | FLASH                                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 1Gb (128M x 8) Parallel 30ns 48-TSOP                                                             |
| BASE PART NUMBER                 | NAND01G                                                                                                                 |
| ACCESS TIME                      | 30ns                                                                                                                    |
