### Specifications of 25LC080A-I/S15K

|                                |                                                                                                                         |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                    | 25LC080A-I/S15K                                                                                                         |
| MANUFACTURER                   | Micrel / Microchip Technology                                                                                           |
| DESCRIPTION                    | IC EEPROM 8K SPI 10MHZ WAFER                                                                                            |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE             | 3409 pcs                                                                                                                |
| DATA SHEET                     |  <a href="#">25LC080A-I/S15K.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE  | 5ms                                                                                                                     |
| VOLTAGE - SUPPLY               | 2.5 V ~ 5.5 V                                                                                                           |
| TECHNOLOGY                     | EEPROM                                                                                                                  |
| SUPPLIER DEVICE PACKAGE        | Die                                                                                                                     |
| SERIES                         | -                                                                                                                       |
| PACKAGING                      | Tray                                                                                                                    |
| PACKAGE / CASE                 | Die                                                                                                                     |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TA)                                                                                                       |
| MOUNTING TYPE                  | Surface Mount                                                                                                           |
| MEMORY TYPE                    | Non-Volatile                                                                                                            |
| MEMORY SIZE                    | 8Kb (1K x 8)                                                                                                            |
| MEMORY INTERFACE               | SPI                                                                                                                     |
| MEMORY FORMAT                  | EEPROM                                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                                                              |
| DETAILED DESCRIPTION           | EEPROM Memory IC 8Kb (1K x 8) SPI 10MHz Die                                                                             |
| CLOCK FREQUENCY                | 10MHz                                                                                                                   |
