|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | N25Q128A11BSF40G                                                                                             |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 128M SPI 108MHZ 16SO                                                                                |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 66895 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

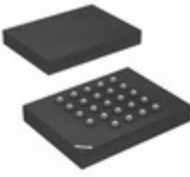

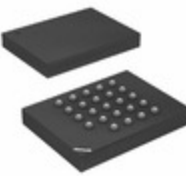

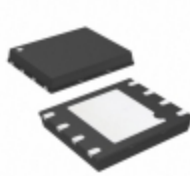

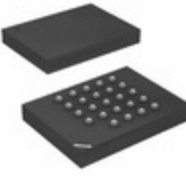

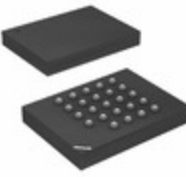

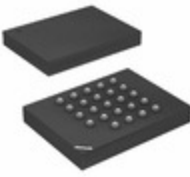

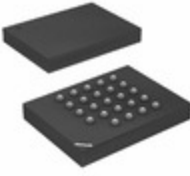

Specifications of N25Q128A11BSF40G

|                                  |                                                        |
|----------------------------------|--------------------------------------------------------|
| PART NUMBER                      | N25Q128A11BSF40G                                       |
| MANUFACTURER                     | Micron Technology                                      |
| DESCRIPTION                      | IC FLASH 128M SPI 108MHZ 16SO                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                             |
| QUANTITY AVAILABLE               | 66895 pcs                                              |
| DATA SHEET                       |                                                        |
| WRITE CYCLE TIME - WORD, PAGE    | 8ms, 5ms                                               |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 2 V                                            |
| TECHNOLOGY                       | FLASH - NOR                                            |
| SUPPLIER DEVICE PACKAGE          | 16-SO                                                  |
| SERIES                           | -                                                      |
| PACKAGING                        | Tube                                                   |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                         |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                      |
| MOUNTING TYPE                    | Surface Mount                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                          |
| MEMORY TYPE                      | Non-Volatile                                           |
| MEMORY SIZE                      | 128Mb (16M x 8)                                        |
| MEMORY INTERFACE                 | SPI                                                    |
| MEMORY FORMAT                    | FLASH                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                             |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 128Mb (16M x 8) SPI 108MHz 16-SO |
| CLOCK FREQUENCY                  | 108MHz                                                 |
