| DATA SHEET                       |  SI3050-E-GT.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP                                                                                            |
| SERIES                           | -                                                                                                   |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                        |
| NUMBER OF CIRCUITS               | 1                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| INTERFACE                        | GCI, PCM, SPI                                                                                       |
| INCLUDES                         | -                                                                                                   |
| FUNCTION                         | Direct Access Arrangement (DAA)                                                                     |
| DETAILED DESCRIPTION             | Telecom IC Direct Access Arrangement (DAA) 20-TSSOP                                                 |
| CURRENT - SUPPLY                 | 8.5mA                                                                                               |
