| DESCRIPTION                      | IC REG LIN 3.3V 3A DDPAK/TO263-5                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                         |
| QUANTITY AVAILABLE               | 10684 pcs                                                                  |
| DATA SHEET                       |                                                                            |
| VOLTAGE DROPOUT (MAX)            | 0.6V @ 3A                                                                  |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                       |
| VOLTAGE - OUTPUT (MAX)           | -                                                                          |
| VOLTAGE - INPUT (MAX)            | 7V                                                                         |
| SUPPLIER DEVICE PACKAGE          | DDPAK/TO-263-5                                                             |
| SERIES                           | -                                                                          |
| PROTECTION FEATURES              | Over Current, Over Temperature, Short Circuit                              |
| PACKAGING                        | Tube                                                                       |
| PACKAGE / CASE                   | TO-263-6, D²Pak (5 Leads + Tab), TO-263BA                                  |
| PSRR                             | 73dB ~ 57dB (120Hz)                                                        |
| OUTPUT TYPE                      | Fixed                                                                      |
| OUTPUT CONFIGURATION             | Positive                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                              |
| NUMBER OF REGULATORS             | 1                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                         |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 3A DDPAK/TO-263-5 |
| CURRENT - SUPPLY (MAX)           | 10mA                                                                       |
| CURRENT - QUIESCENT (IQ)         | 4mA                                                                        |
| CURRENT - OUTPUT                 | 3A                                                                         |
| CONTROL FEATURES                 | Enable                                                                     |
| BASE PART NUMBER                 | LP3853                                                                     |
