

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:MC10H162MG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC DECODER BIN 1:8 16-SOEIAJ

Datasheets:

MC10H162MG.pdf

RoHs Status:

Lead free / RoHS Compliant

Stock Condition:3321 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC10H162MG

|                                  |                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC10H162MG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                               |
| DESCRIPTION                      | IC DECODER BIN 1:8 16-SOEIAJ                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| QUANTITY AVAILABLE               | 3321 pcs                                                                                           |
| DATA SHEET                       |  MC10H162MG.pdf |
| VOLTAGE SUPPLY SOURCE            | Dual Supply                                                                                        |
| VOLTAGE - SUPPLY                 | -4.94 V ~ -5.46 V                                                                                  |
| TYPE                             | Decoder                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 16-SOEIAJ                                                                                          |
| SERIES                           | 10H                                                                                                |
| PACKAGING                        | Tube                                                                                               |
| PACKAGE / CASE                   | 16-SOIC (0.209", 5.30mm Width)                                                                     |
| OPERATING TEMPERATURE            | 0°C ~ 75°C                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INDEPENDENT CIRCUITS             | 1                                                                                                  |
| DETAILED DESCRIPTION             | Decoder 1 x 3:8 16-SOEIAJ                                                                          |
| CURRENT - OUTPUT HIGH, LOW       | -                                                                                                  |
| CIRCUIT                          | 1 x 3:8                                                                                            |
| BASE PART NUMBER                 | 10H162                                                                                             |
