|                     |                              |
|---------------------|------------------------------|
| Part Number:        | MT53D512M32D2NP-046 AUT ES:D |
| Manufacturer/Brand: | Micron Technology            |
| Product description | IC DRAM 16G 2133MHZ FBGA     |
| Datasheets:         |                              |
| Stock Condition     | 1643 pcs stock               |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

REQUEST FOR QUOTATION

Specifications of MT53D512M32D2NP-046 AUT ES:D

|                                |                                                               |
|--------------------------------|---------------------------------------------------------------|
| PART NUMBER                    | MT53D512M32D2NP-046 AUT ES:D                                  |
| MANUFACTURER                   | Micron Technology                                             |
| DESCRIPTION                    | IC DRAM 16G 2133MHZ FBGA                                      |
| LEAD FREE STATUS / ROHS STATUS |                                                               |
| QUANTITY AVAILABLE             | 1643 pcs                                                      |
| DATA SHEET                     |                                                               |
| WRITE CYCLE TIME - WORD, PAGE  | -                                                             |
| VOLTAGE - SUPPLY               | 1.1V                                                          |
| TECHNOLOGY                     | SDRAM - Mobile LPDDR4                                         |
| SERIES                         | -                                                             |
| OTHER NAMES                    | MT53D512M32D2NP-046 AUT ES:D-ND<br>MT53D512M32D2NP-046AUTES:D |
| OPERATING TEMPERATURE          | -40°C ~ 125°C (TC)                                            |
| MEMORY TYPE                    | Volatile                                                      |
| MEMORY SIZE                    | 16Gb (512M x 32)                                              |
| MEMORY INTERFACE               | -                                                             |
| MEMORY FORMAT                  | DRAM                                                          |
| LEAD FREE STATUS               | Lead free                                                     |
| DETAILED DESCRIPTION           | SDRAM - Mobile LPDDR4 Memory IC 16Gb (512M x 32) 2133MHz      |
| CLOCK FREQUENCY                | 2133MHz                                                       |
