| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                                        |
| SERIES                           | EX-20                                                              |
| SENSING METHOD                   | Retroreflective                                                    |
| SENSING DISTANCE                 | 1.181" ~ 7.784" (30mm ~ 200mm)                                     |
| RESPONSE TIME                    | 500μs                                                              |
| OUTPUT CONFIGURATION             | PNP - Open Collector/Light-ON                                      |
| OTHER NAMES                      | 1110-1866                                                          |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                      |
| LIGHT SOURCE                     | Red LED                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                         |
| INGRESS PROTECTION               | IP67                                                               |
| CONNECTION METHOD                | Cable                                                              |
| CABLE LENGTH                     | 78.7" (2000.00mm)                                                  |
| ADJUSTMENT TYPE                  | -                                                                  |
