|                     |                                                                      |
|---------------------|----------------------------------------------------------------------|
| Part Number:        | 8275220000                                                           |
| Manufacturer/Brand: | Weidmuller                                                           |
| Product description | OPTOISOLATOR TRANS MODULE                                            |
| Datasheets:         | <a href="#">1.8275220000.pdf</a><br><a href="#">2.8275220000.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                           |
| Stock Condition     | 6172 pcs stock                                                       |
| Ship From           | Hong Kong                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                |

| VOLTAGE - OUTPUT (MAX)         | 24V                                                                  |
| VOLTAGE - ISOLATION            | -                                                                    |
| VOLTAGE - FORWARD (VF) (TYP)   | -                                                                    |
| VCE SATURATION (MAX)           | -                                                                    |
| TURN ON / TURN OFF TIME (TYP)  | -                                                                    |
| SUPPLIER DEVICE PACKAGE        | -                                                                    |
| SERIES                         | -                                                                    |
| RISE / FALL TIME (TYP)         | -                                                                    |
| PACKAGING                      | Bulk                                                                 |
| PACKAGE / CASE                 | Module                                                               |
| OUTPUT TYPE                    | Transistor                                                           |
| OTHER NAMES                    | WOS2 230VUC 3A                                                       |
| OPERATING TEMPERATURE          | -25°C ~ 50°C                                                         |
| NUMBER OF CHANNELS             | 1                                                                    |
| MOUNTING TYPE                  | DIN Rail                                                             |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                           |
| INPUT TYPE                     | DC                                                                   |
| DETAILED DESCRIPTION           | Optoisolator Transistor Output 1 Channel                             |
| CURRENT TRANSFER RATIO (MIN)   | -                                                                    |
| CURRENT TRANSFER RATIO (MAX)   | -                                                                    |
| CURRENT - OUTPUT / CHANNEL     | 5A                                                                   |
