N74F757N,602

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | N74F757N,602                                                                                                 |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC BUFFER NON-INVERT 5.5V 20DIP                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4792 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of N74F757N,602

|                                  |                                                                                |
|----------------------------------|--------------------------------------------------------------------------------|
| PART NUMBER                      | N74F757N,602                                                                   |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                                 |
| DESCRIPTION                      | IC BUFFER NON-INVERT 5.5V 20DIP                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| QUANTITY AVAILABLE               | 4792 pcs                                                                       |
| DATA SHEET                       |                                                                                |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                  |
| SUPPLIER DEVICE PACKAGE          | 20-DIP                                                                         |
| SERIES                           | 74F                                                                            |
| PACKAGING                        | Tube                                                                           |
| PACKAGE / CASE                   | 20-DIP (0.300" , 7.62mm)                                                       |
| OUTPUT TYPE                      | Open Collector                                                                 |
| OTHER NAMES                      | 568-3184-5<br>933964730602<br>N74F757N                                         |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                |
| NUMBER OF ELEMENTS               | 2                                                                              |
| NUMBER OF BITS PER ELEMENT       | 4                                                                              |
| MOUNTING TYPE                    | Through Hole                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                  |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| INPUT TYPE                       | -                                                                              |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 4 Bit per Element Open Collector Output 20-DIP |
| CURRENT - OUTPUT HIGH, LOW       | -, 64mA                                                                        |
| BASE PART NUMBER                 | 74F757                                                                         |
