

CA30CLN25BP

|                     |                       |
|---------------------|-----------------------|
| Part Number:        | CA30CLN25BP           |
| Manufacturer/Brand: | Carlo Gavazzi         |
| Product description | SEN PROX M30 NPN+PNP  |
| Datasheets:         |                       |
| Stock Condition     | 495 pcs stock         |
| Ship From           | Hong Kong             |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS |

REQUEST FOR QUOTATION

Specifications of CA30CLN25BP

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|

| MANUFACTURER                     | Carlo Gavazzi                                                          |
| DESCRIPTION                      | SEN PROX M30 NPN+PNP                                                   |
| LEAD FREE STATUS / ROHS STATUS   |                                                                        |
| QUANTITY AVAILABLE               | 495 pcs                                                                |
| DATA SHEET                       |                                                                        |
| VOLTAGE - SUPPLY                 | 10 V ~ 40 V                                                            |
| TERMINATION STYLE                | Cable                                                                  |
| SHIELDING                        | Unshielded                                                             |
| SERIES                           | CA                                                                     |
| SENSOR TYPE                      | Capacitive                                                             |
| SENSING DISTANCE                 | 0.98" (25mm)                                                           |
| RESPONSE FREQUENCY               | 5Hz                                                                    |
| PACKAGE / CASE                   | Cylinder, Threaded - M30                                               |
| OUTPUT TYPE                      | PNP-NC/NO, 3-Wire                                                      |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                         |
| MATERIAL - BODY                  | Plastic                                                                |
| INGRESS PROTECTION               | IP68                                                                   |
| INDICATOR                        | LED                                                                    |
| DETAILED DESCRIPTION             | Capacitive Proximity Sensor 0.98" (25mm) IP68 Cylinder, Threaded - M30 |
