

JRC Corporation / NJRC

Part Number: NJM78L02A

Manufacturer/Brand: JRC Corporation / NJRC

Product description: IC REG LINEAR 2.6V 100MA TO92-3

Datasheets:  NJM78L02A.pdf

RoHs Status:  Contains lead / RoHS non-compliant

Stock Condition: 5647 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NJM78L02A

|                                |                                                                                                   |
|--------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                    | NJM78L02A                                                                                         |
| MANUFACTURER                   | JRC Corporation / NJRC                                                                            |
| DESCRIPTION                    | IC REG LINEAR 2.6V 100MA TO92-3                                                                   |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                                                                |
| QUANTITY AVAILABLE             | 5647 pcs                                                                                          |
| DATA SHEET                     |  NJM78L02A.pdf |
| VOLTAGE DROPOUT (MAX)          | -                                                                                                 |
| VOLTAGE - OUTPUT (MIN/FIXED)   | 2.6V                                                                                              |
| VOLTAGE - OUTPUT (MAX)         | -                                                                                                 |
| VOLTAGE - INPUT (MAX)          | 30V                                                                                               |
| SUPPLIER DEVICE PACKAGE        | TO-92-3                                                                                           |
| SERIES                         | -                                                                                                 |
| PROTECTION FEATURES            | Over Temperature, Short Circuit                                                                   |
| PACKAGING                      | Tube                                                                                              |
| PACKAGE / CASE                 | TO-226-3, TO-92-3 (TO-226AA)                                                                      |
| PSRR                           | 73dB (120Hz)                                                                                      |
| OUTPUT TYPE                    | Fixed                                                                                             |
| OUTPUT CONFIGURATION           | Positive                                                                                          |
| OPERATING TEMPERATURE          | -40°C ~ 85°C                                                                                      |
| NUMBER OF REGULATORS           | 1                                                                                                 |
| MOUNTING TYPE                  | Through Hole                                                                                      |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                                                                |
| DETAILED DESCRIPTION           | Linear Voltage Regulator IC Positive Fixed 1 Output 2.6V 100mA TO-92-3                            |
| CURRENT - QUIESCENT (IQ)       | 6mA                                                                                               |
| CURRENT - OUTPUT               | 100mA                                                                                             |
| CONTROL FEATURES               | -                                                                                                 |
