

Maxim Integrated

Part Number:MAX6518UKN015+T

Manufacturer/Brand:Maxim Integrated

Product description:IC TEMP SENSOR SW SOT23-5

Datasheets: MAX6518UKN015+T.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:4153 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MAX6518UKN015+T

|                                  |                                                                                                         |

| DESCRIPTION                      | IC TEMP SENSOR SW SOT23-5                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE               | 4153 pcs                                                                                                |
| DATA SHEET                       |  MAX6518UKN015+T.pdf |
| VOLTAGE - SUPPLY                 | 2.7V ~ 5.5V                                                                                             |
| TRIP TEMPERATURE THRESHOLD       | Cold                                                                                                    |
| SWITCHING TEMPERATURE            | -15°C                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | SOT-23-5                                                                                                |
| SERIES                           | -                                                                                                       |
| SELECTABLE HYSTERESIS            | Yes                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | SC-74A, SOT-753                                                                                         |
| OUTPUT TYPE                      | Push-Pull                                                                                               |
| OUTPUT FUNCTION                  | /UnderTemp                                                                                              |
| OUTPUT                           | Active High                                                                                             |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| FEATURES                         | -                                                                                                       |
| DETAILED DESCRIPTION             | Thermostat -15°C Active High Push-Pull SOT-23-5                                                         |
| CURRENT - SUPPLY                 | 40μA                                                                                                    |
| CURRENT - OUTPUT (MAX)           | -                                                                                                       |
| ACCURACY                         | ±1.5°C                                                                                                  |
