## REQUEST FOR QUOTATION

## Specifications of 74HCT193DB-Q1001

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | 74HCT193DB-Q100J                                                |
| MANUFACTURER                     | Nexperia                                                        |
| DESCRIPTION                      | IC COUNTER U/D 4BIT BIN 16SSOP                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| QUANTITY AVAILABLE               | 226838 pcs                                                      |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                                     |
| TRIGGER TYPE                     | Positive Edge                                                   |
| TIMING                           | Synchronous                                                     |
| SUPPLIER DEVICE PACKAGE          | 16-SSOP                                                         |
| SERIES                           | 74HCT                                                           |
| RESET                            | Asynchronous                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                |
| PACKAGE / CASE                   | 16-SSOP (0.209", 5.30mm Width)                                  |
| OTHER NAMES                      | 935300449118                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                   |
| NUMBER OF ELEMENTS               | 1                                                               |
| NUMBER OF BITS PER ELEMENT       | 4                                                               |
| MOUNTING TYPE                    | Surface Mount                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| LOGIC TYPE                       | Binary Counter                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DIRECTION                        | Up, Down                                                        |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 4 Bit Positive Edge 16-SSOP |
| COUNT RATE                       | 43MHz                                                           |
| BASE PART NUMBER                 | 74HCT193                                                        |
