MC68HC11E9BCFNE2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MC68HC11E9BCFNE2                                                                                             |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC MCU 8BIT ROMLESS 52PLCC                                                                                   |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4727 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MC68HC11E9BCFNE2

|                                  |                                                                     |
|----------------------------------|---------------------------------------------------------------------|
| PART NUMBER                      | MC68HC11E9BCFNE2                                                    |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                      |
| DESCRIPTION                      | IC MCU 8BIT ROMLESS 52PLCC                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                          |
| QUANTITY AVAILABLE               | 4727 pcs                                                            |
| DATA SHEET                       |                                                                     |
| VOLTAGE - SUPPLY (VCC/VDD)       | 4.5 V ~ 5.5 V                                                       |
| SUPPLIER DEVICE PACKAGE          | 52-PLCC (19.1x19.1)                                                 |
| SPEED                            | 2MHz                                                                |
| SERIES                           | HC11                                                                |
| RAM SIZE                         | 512 x 8                                                             |
| PROGRAM MEMORY TYPE              | ROMless                                                             |
| PROGRAM MEMORY SIZE              | -                                                                   |
| PERIPHERALS                      | POR, WDT                                                            |
| PACKAGING                        | Tube                                                                |
| PACKAGE / CASE                   | 52-LCC (J-Lead)                                                     |
| OTHER NAMES                      | 935318972574                                                        |
| OSCILLATOR TYPE                  | Internal                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                   |
| NUMBER OF I/O                    | 38                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                          |
| EEPROM SIZE                      | 512 x 8                                                             |
| DETAILED DESCRIPTION             | HC11 HC11 Microcontroller IC 8-Bit 2MHz ROMless 52-PLCC (19.1x19.1) |
| DATA CONVERTERS                  | A/D 8x8b                                                            |
| CORE SIZE                        | 8-Bit                                                               |
| CORE PROCESSOR                   | HC11                                                                |
| CONNECTIVITY                     | SCI, SPI                                                            |
| BASE PART NUMBER                 | MC68HC11                                                            |
