BU7848FV-E2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BU7848FV-E2                                                                                                  |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC AUDIO INTERFACE CELL 28SSOP                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 12665 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

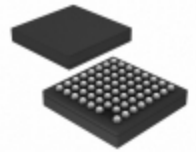

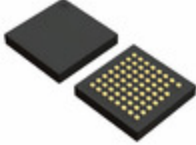

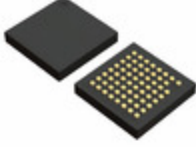

Specifications of BU7848FV-E2

|                                  |                                |
|----------------------------------|--------------------------------|
| PART NUMBER                      | BU7848FV-E2                    |
| MANUFACTURER                     | LAPIS Semiconductor            |
| DESCRIPTION                      | IC AUDIO INTERFACE CELL 28SSOP |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| QUANTITY AVAILABLE               | 12665 pcs                      |
| DATA SHEET                       |                                |
| VOLTAGE - SUPPLY                 | -                              |
| SUPPLIER DEVICE PACKAGE          | -                              |
| SPECIFICATIONS                   | -                              |
| SERIES                           | -                              |
| PACKAGE / CASE                   | -                              |
| OPERATING TEMPERATURE            | -                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| INTERFACE                        | -                              |
| FUNCTION                         | -                              |
| DETAILED DESCRIPTION             | Audio Channel                  |
| BASE PART NUMBER                 | BU7848                         |
| APPLICATIONS                     | -                              |
