### ADM809JARTZ-REEL

|                     |                                                                                                                        |
|---------------------|------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | ADM809JARTZ-REEL                                                                                                       |
| Manufacturer/Brand: | ADI (Analog Devices, Inc.)                                                                                             |
| Product description | IC SUPERVISOR MPU 4.0V SOT23                                                                                           |
| Datasheets:         |  <a href="#">ADM809JARTZ-REEL.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant           |
| Stock Condition     | 5191 pcs stock                                                                                                         |
| Ship From           | Hong Kong                                                                                                              |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                  |

REQUEST FOR QUOTATION

#### Specifications of ADM809JARTZ-REEL

|                                  |                                                                                                                          |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | ADM809JARTZ-REEL                                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                                               |
| DESCRIPTION                      | IC SUPERVISOR MPU 4.0V SOT23                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| QUANTITY AVAILABLE               | 5191 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">ADM809JARTZ-REEL.pdf</a> |
| VOLTAGE - THRESHOLD              | 4V                                                                                                                       |
| TYPE                             | Simple Reset/Power-On Reset                                                                                              |
| SUPPLIER DEVICE PACKAGE          | SOT-23-3                                                                                                                 |
| SERIES                           | -                                                                                                                        |
| RESET TIMEOUT                    | 140 ms Minimum                                                                                                           |
| RESET                            | Active Low                                                                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | TO-236-3, SC-59, SOT-23-3                                                                                                |
| OUTPUT                           | Push-Pull, Totem Pole                                                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                                       |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
