| QUANTITY AVAILABLE                | 6467 pcs                                                                                                              |
| DATA SHEET                        |  <a href="#">XR620AISO8MTR.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | ±2.3 V ~ 18 V                                                                                                         |
| VOLTAGE - INPUT OFFSET            | 125µV                                                                                                                 |
| SLEW RATE                         | 1.2 V/µs                                                                                                              |
| SERIES                            | -                                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                                      |
| OUTPUT TYPE                       | -                                                                                                                     |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                          |
| NUMBER OF CIRCUITS                | 1                                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                            |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit                                                                                   |
| CURRENT - SUPPLY                  | 1.3mA                                                                                                                 |
| CURRENT - INPUT BIAS              | 500pA                                                                                                                 |
| AMPLIFIER TYPE                    | General Purpose                                                                                                       |
| -3DB BANDWIDTH                    | 700kHz                                                                                                                |
