| QUANTITY AVAILABLE               | 22043 pcs                                                                                                                   |
| DATA SHEET                       |  <a href="#">LTC4232CDHC-1#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.9 V ~ 15 V                                                                                                                |
| TYPE                             | Hot Swap Controller, Monitor                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 16-DFN (5x3)                                                                                                                |
| SERIES                           | -                                                                                                                           |
| PROGRAMMABLE FEATURES            | Auto Retry, Current Limit, Fault Timeout, Latched Fault, OVP, UVLO                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                                            |
| PACKAGE / CASE                   | 16-WFDFN Exposed Pad                                                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                                  |
| NUMBER OF CHANNELS               | 1                                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| INTERNAL SWITCH(S)               | Yes                                                                                                                         |
| FEATURES                         | Thermal Limit                                                                                                               |
| FEATURE PINS                     | FB, /FLT, IMON, INTVCC, ISET, OV, PG, TIMER, UV                                                                             |
| DETAILED DESCRIPTION             | Hot Swap Controller, Monitor 1 Channel General Purpose 16-DFN (5x3)                                                         |
| CURRENT - SUPPLY                 | 1.6mA                                                                                                                       |
| CURRENT - OUTPUT (MAX)           | 5A                                                                                                                          |
| BASE PART NUMBER                 | LTC4232                                                                                                                     |
| APPLICATIONS                     | General Purpose                                                                                                             |
