| DATA SHEET                       |  6N136.pdf |
| VOLTAGE - OUTPUT (MAX)           | 15V                                                                                           |
| VOLTAGE - ISOLATION              | 5300Vrms                                                                                      |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.33V                                                                                         |
| VCE SATURATION (MAX)             | -                                                                                             |
| TURN ON / TURN OFF TIME (TYP)    | 200ns, 200ns                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-DIP                                                                                         |
| SERIES                           | -                                                                                             |
| RISE / FALL TIME (TYP)           | -                                                                                             |
| PACKAGING                        | Tube                                                                                          |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                        |
| OUTPUT TYPE                      | Transistor with Base                                                                          |
| OTHER NAMES                      | 6N136GI<br>6N136GI-ND<br>751-1261-5                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 100°C                                                                                 |
| NUMBER OF CHANNELS               | 1                                                                                             |
| MOUNTING TYPE                    | Through Hole                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                    |
| INPUT TYPE                       | DC                                                                                            |
| DETAILED DESCRIPTION             | Optoisolator Transistor with Base Output 5300Vrms 1 Channel 8-DIP                             |
| CURRENT TRANSFER RATIO (MIN)     | 19% @ 16mA                                                                                    |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                             |
| CURRENT - OUTPUT / CHANNEL       | 8mA                                                                                           |
| CURRENT - DC FORWARD (IF) (MAX)  | 25mA                                                                                          |
| BASE PART NUMBER                 | 6N136                                                                                         |
