

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:ADM1026JST-REEL7

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC CNTRL SYS REF/EEPROM 48LQFP

Datasheets:ADM1026JST-REEL7.pdf

RoHs Status:Contains lead / RoHS non-compliant

Stock Condition:11449 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of ADM1026JST-REEL7

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|

| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                     |
| DESCRIPTION                      | IC CNTRL SYS REF/EEPROM 48LQFP                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                       |
| QUANTITY AVAILABLE               | 11449 pcs                                                                                                |
| DATA SHEET                       |  ADM1026JST-REEL7.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                                              |
| TOPOLOGY                         | ADC, Comparator, Multiplexer, Register Bank                                                              |
| SUPPLIER DEVICE PACKAGE          | 48-LQFP (7x7)                                                                                            |
| SERIES                           | -                                                                                                        |
| SENSOR TYPE                      | Internal and External                                                                                    |
| SENSING TEMPERATURE              | 0°C ~ 100°C                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 48-LQFP                                                                                                  |
| OUTPUT TYPE                      | SMBus                                                                                                    |
| OUTPUT FAN                       | Yes                                                                                                      |
| OUTPUT ALARM                     | No                                                                                                       |
| OTHER NAMES                      | ADM1026JST-REEL7-ND<br>ADM1026JSTREEL7TR                                                                 |
| OPERATING TEMPERATURE            | 0°C ~ 100°C                                                                                              |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                       |
| FUNCTION                         | Hardware Monitor                                                                                         |
| DETAILED DESCRIPTION             | Hardware Monitor 0°C ~ 100°C Internal and External Sensor SMBus Output 48-LQFP (7x7)                     |
| BASE PART NUMBER                 | ADM1026                                                                                                  |
| ACCURACY                         | ±3°C(Max)                                                                                                |
