

A22R-K2M-01

|                     |                                    |
|---------------------|------------------------------------|
| Part Number:        | A22R-K2M-01                        |
| Manufacturer/Brand: | Omron Automation & Safety          |
| Product description | SWITCH KEY 2POS SPST-NC 10A 120V   |
| Datasheets:         |                                    |
| RoHs Status         | Contains lead / RoHS non-compliant |
| Stock Condition     | 3709 pcs stock                     |
| Ship From           | Hong Kong                          |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS              |

REQUEST FOR QUOTATION

Specifications of A22R-K2M-01

|                                  |                                                               |
|----------------------------------|---------------------------------------------------------------|
| PART NUMBER                      | A22R-K2M-01                                                   |
| MANUFACTURER                     | Omron Automation & Safety                                     |
| DESCRIPTION                      | SWITCH KEY 2POS SPST-NC 10A 120V                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                            |
| QUANTITY AVAILABLE               | 3709 pcs                                                      |
| DATA SHEET                       |                                                               |
| VOLTAGE RATING - AC              | 120V                                                          |
| TERMINATION STYLE                | Screw Terminal                                                |
| SWITCH FUNCTION                  | On-Off                                                        |
| SERIES                           | A22RK                                                         |
| PANEL CUTOUT DIMENSIONS          | Circular - 22.30mm Dia                                        |
| OTHER NAMES                      | A22RK2M01                                                     |
| OPERATING TEMPERATURE            | -20°C ~ 60°C                                                  |
| NUMBER OF POSITIONS              | 2                                                             |
| MOUNTING TYPE                    | Panel Mount                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                 |
| MECHANICAL LIFE                  | 300,000 Cycles                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                            |
| KEY REMOVABLE POSITIONS          | All                                                           |
| FEATURES                         | IP65                                                          |
| ELECTRICAL LIFE                  | 500,000 Cycles                                                |
| DETAILED DESCRIPTION             | Keylock Switch 2 Position SPST-NC 10A (AC) 120VAC Panel Mount |
| DEPTH BEHIND FLANGE              | 46.80mm                                                       |
| CURRENT RATING                   | 10A (AC)                                                      |
| CONTACT TIMING                   | Not Specified                                                 |
| CONTACT MATERIAL                 | -                                                             |
| CONTACT FINISH                   | -                                                             |
| CIRCUIT                          | SPST-NC                                                       |
| ANGLE OF THROW                   | 90°                                                           |
| ACTUATOR TYPE                    | Flat Key                                                      |
