MT29F1T08EMHAFJ4-3R:A

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F1T08EMHAFJ4-3R:A                                                                                        |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 1T PARALLEL 333MHZ                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 1244 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MT29F1T08EMHAFJ4-3R:A

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | MT29F1T08EMHAFJ4-3R:A                                 |
| MANUFACTURER                     | Micron Technology                                     |
| DESCRIPTION                      | IC FLASH 1T PARALLEL 333MHZ                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| QUANTITY AVAILABLE               | 1244 pcs                                              |
| DATA SHEET                       |                                                       |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                     |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 3.6 V                                         |
| TECHNOLOGY                       | FLASH - NAND                                          |
| SERIES                           | -                                                     |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                         |
| MEMORY TYPE                      | Non-Volatile                                          |
| MEMORY SIZE                      | 1Tb (128G x 8)                                        |
| MEMORY INTERFACE                 | Parallel                                              |
| MEMORY FORMAT                    | FLASH                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 1Tb (128G x 8) Parallel 333MHz |
| CLOCK FREQUENCY                  | 333MHz                                                |
