

NXP Semiconductors / Freescale

MCIMX6G0DVM05AA

|                     |                                                  |
|---------------------|--------------------------------------------------|
| Part Number:        | MCIMX6G0DVM05AA                                  |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                   |
| Product description | IC MPU I.MC6UL 528MHZ 289BGA                     |
| Datasheets:         |                                                  |
| RoHs Status         | <div><div></div>Lead free / RoHS Compliant</div> |
| Stock Condition     | 3382 pcs stock                                   |
| Ship From           | Hong Kong                                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                            |

REQUEST FOR QUOTATION

Specifications of MCIMX6G0DVM05AA

|                                  |                                                                                    |
|----------------------------------|------------------------------------------------------------------------------------|
| PART NUMBER                      | MCIMX6G0DVM05AA                                                                    |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                                     |
| DESCRIPTION                      | IC MPU I.MC6UL 528MHZ 289BGA                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 3382 pcs                                                                           |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - I/O                    | 1.2V, 1.35V, 1.5V, 1.8V, 2.5V, 2.8V, 3.3V                                          |
| USB                              | USB 2.0 + PHY (1)                                                                  |
| SUPPLIER DEVICE PACKAGE          | 289-MAPBGA (14x14)                                                                 |
| SPEED                            | 528MHz                                                                             |
| SERIES                           | i.MX6UL                                                                            |
| SECURITY FEATURES                | ARM TZ, A-HAB, CAAM, CSU, SJC, SNVS                                                |
| SATA                             | -                                                                                  |
| RAM CONTROLLERS                  | LPDDR2, DDR3, DDR3L                                                                |
| PACKAGING                        | Tray                                                                               |
| PACKAGE / CASE                   | 289-LFBGA                                                                          |
| OTHER NAMES                      | 935312508557                                                                       |
| OPERATING TEMPERATURE            | 0°C ~ 95°C (TJ)                                                                    |
| NUMBER OF CORES/BUS WIDTH        | 1 Core, 32-Bit                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| GRAPHICS ACCELERATION            | No                                                                                 |
| ETHERNET                         | 10/100 Mbps (1)                                                                    |
| DISPLAY & INTERFACE CONTROLLERS  | LVDS                                                                               |
| DETAILED DESCRIPTION             | ARM® Cortex®-A7 Microprocessor IC i.MX6UL 1 Core, 32-Bit 528MHz 289-MAPBGA (14x14) |
| CORE PROCESSOR                   | ARM® Cortex®-A7                                                                    |
| CO-PROCESSORS/DSP                | Multimedia; NEON™ SIMD                                                             |
| ADDITIONAL INTERFACES            | EBI/EMI, I²C, I²S, MMC/SD/SDIO, QSPI, SAI, SPI, SSI, S/PDIF, UART                  |
