MT41K256M16V90BWC1

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT41K256M16V90BWC1                                                                                           |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC DRAM 4G PARALLEL DIE                                                                                      |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 7144 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MT41K256M16V90BWC1

|                                  |                                                  |
|----------------------------------|--------------------------------------------------|
| PART NUMBER                      | MT41K256M16V90BWC1                               |
| MANUFACTURER                     | Micron Technology                                |
| DESCRIPTION                      | IC DRAM 4G PARALLEL DIE                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                       |
| QUANTITY AVAILABLE               | 7144 pcs                                         |
| DATA SHEET                       |                                                  |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                |
| VOLTAGE - SUPPLY                 | 1.283 V ~ 1.45 V                                 |
| TECHNOLOGY                       | SDRAM - DDR3L                                    |
| SERIES                           | -                                                |
| OPERATING TEMPERATURE            | 0°C ~ 95°C (TC)                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                    |
| MEMORY TYPE                      | Volatile                                         |
| MEMORY SIZE                      | 4Gb (256M x 16)                                  |
| MEMORY INTERFACE                 | Parallel                                         |
| MEMORY FORMAT                    | DRAM                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                       |
| DETAILED DESCRIPTION             | SDRAM - DDR3L Memory IC 4Gb (256M x 16) Parallel |
