| MANUFACTURER                      | ADI (Analog Devices, Inc.)                                                                               |
| DESCRIPTION                       | IC OPAMP VIDEO TRIPLE 16-LFCSP                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                               |
| QUANTITY AVAILABLE                | 27510 pcs                                                                                                |
| DATA SHEET                        |  ADA4853-3YCPZ-R2.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.65 V ~ 5 V                                                                                             |
| SUPPLIER DEVICE PACKAGE           | 16-LFCSP-WQ (3x3)                                                                                        |
| SLEW RATE                         | 120 V/µs                                                                                                 |
| SERIES                            | -                                                                                                        |
| PACKAGING                         | Cut Tape (CT)                                                                                            |
| PACKAGE / CASE                    | 16-WFQFN Exposed Pad, CSP                                                                                |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                             |
| OTHER NAMES                       | ADA4853-3YCPZ-R2CT                                                                                       |
| NUMBER OF CIRCUITS                | 3                                                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION              | Video Amp, 3 Voltage Feedback 16-LFCSP-WQ (3x3)                                                          |
| CURRENT - SUPPLY                  | 1.4mA                                                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 160mA                                                                                                    |
| BASE PART NUMBER                  | ADA4853                                                                                                  |
| APPLICATIONS                      | Voltage Feedback                                                                                         |
| -3DB BANDWIDTH                    | 100MHz                                                                                                   |
